The SIRS Committee at the ONA holds an annual gathering for Syilx Okanagan residential school survivors, intergenerational survivors, and other family members to share stories, support each other, and participate in healing together.

This year will be bringing people together as a reminder of niśáyp kʷús aláʔx - we have always been here. Through various presentations, ceremony, and food, this event will bring survivors and Nation members together to heal and work towards a stronger, healthier Nation.

OPEN TO SYILX NATION MEMBERS AND THEIR FAMILIES
