

NALOXONE TRAINING

Penticton Indian Band Session 1

JUNE 23, 2021 | 9:30 A.M.- 11:30 A.M.
OUTSIDE COMMUNITY HALL

Join us in raising awareness around overdose and building the capacity of communities across the Nation to feel prepared to address an overdose should they encounter someone experiencing one.

Naloxone training will be available for both injection and nasal kits, and kits will be available for those who are trained to take with them.

Training open to community staff, and community members - including youth.

Mental Health & Addictions Program

ONA's Mental Health & Addictions Program hopes to build community capacity, promote harm reduction, reduce stigma and shame, decrease rates of overdose, and promote healing.
