Remember our stories twined together:
Our thoughts are stored

OCTOBER 9, 2024 | HEAD OF THE LAKE HALL

The Syilx Nation Data Plan has been guided by the collective knowledge and wisdom of our ancestors, elders, knowledge keepers, and Nation members of today to plan and prepare for the people-to-be.

Good quality wellness data helps with community planning and monitoring of programs. ONA data team would like to invite you learn about the Nation data plan that is built on *sqlx^wtcawtət* (our ways).
