

# SEXUAL ASSAULT AWARENESS

## EDUCATION, CONSENT, AND RESPONSE

April is Sexual Assault Awareness Month (SAAM). Join us for an important session during SAAM focused on Sexual Assault Education. This event will provide foundational knowledge and practical tools to help build safer communities through awareness and prevention.

### Topics

- What is sexual assault?
- Understanding age of consent laws
- General training on recognizing and responding to disclosures
- How to support survivors with empathy and respect
- Review of local and national resources available for support and reporting
