

Salmon Feast

SEPTEMBER 18-20, 2026

**sḥwəḥʷnitkʷ (Okanagan Falls) Provincial Park,
Green Lake Rd, Okanagan Falls, BC**

The Salmon Feast is a three-day event that involves multiple activities including: ceremonies, a canoe paddle, and a salmon feast and ceremony on the Sunday for snxaʔliwlem, honouring the sacredness of the river.

The event upholds and celebrates the cultural traditions of the Syilx people, while drawing attention to the shared responsibility we all have to care for and protect our environment.
